## Heart to Heart

Dr. Robert R. Welch, Senior Pastor

People need the Lord. We all know that, but are we doing anything to help them meet Him? Are we praying for our friends, family, neighbors, and co-workers? Are we building the vital relationships that will offer opportunities to share our faith?

I urge you to live on purpose. Our church is here to "lead people to a growing relationship with Jesus Christ." That's our purpose. What's yours? Take some time and find out. Write it down. Then, begin to challenge yourself to fashion your life according to that purpose. Jesus said, "...you will be my witnesses..." (Acts 1:8). That is His stated purpose for your life. How are you doing?

In His Love,

Robert

## Sam Trujillo, Worship Pastor

It seems like only yesterday that we were celebrating the New Year. And yet, here we are, just having survived a cool Spring Break and all that came with it. I pray that you are walking with God these days and that He is pouring out His blessings on you. Continue to serve Him with the gifts you have been given. You are exactly who God intends you to be. Let's join our efforts and serve Him and see where He is taking us in the days ahead. Before we know it, it will be graduation time, and things will never be the same. Enjoy each day to the fullest!!

**Easter is the first Sunday of this month**, and I'm sure it will catch a few of us by surprise. Please make plans to attend April 4<sup>th</sup>, and invite a friend or bring family. Did you know that less than 30% of church attenders invite friends to Easter worship each year, and yet, it is usually one of the highest attended Sundays of the year? This year's service may catch you by surprise if you arrive after 11:00. The Worship Choir and Orchestra will be leading us in a time of reflection, observing what escapes many of us after Palm Sunday, that is, the sadness and brutality that Jesus endured for our sake. We will be briefly reminded of the grief and sorrow that filled the air that fate-filled weekend. And just the same, we will celebrate the victory that our Lord and Savior realized as He triumphantly rose from His grave, once and for all breaking the grip of death that works to enslave us every day.

I am always interested in volunteers who would like to work the sound board, house lights, and computer for our worship services. We can arrange individual training time on Wednesday evenings and Sunday mornings. All we need is your schedule.

The next Lord's Supper is scheduled for May 2<sup>nd</sup>.

On May 16<sup>th</sup>, we will be enjoying an evening of Praise and Worship. Music, Scriptures, and Testimonies will fill the air. Please join us for this "family time" at PBC. Afterwards, we will be spend time together and enjoy refreshments. Don't miss out!

See you Sunday. Bring God your best!

**There are two kinds of people in the world: those who brighten the room when they enter, and those who brighten the room when they leave.**

*"That you may become blameless and harmless, children of God without fault in the midst of a crooked and perverse generation, among whom you shine as lights in the world.."*

*Philippians 2:15*

### Collette Vacations

Would you and your friends be interested in visiting South Dakota this next September? We have traveled with Collette Vacations to Canada, New England, and the North West, and have found them to be very reliable. March 30 at 7:00 p.m., our representative from Collette Vacations will share information regarding Mt Rushmore, Deadwood, Crazy Horse Memorial, Custer State Park, and the Badlands National Park. The presentation will last about an hour. So if you are thinking of taking a fall trip and would like more information we invite you to come to this information meeting. This trip is available to PBC members and friends. If the meeting time doesn't fit your schedule please contact Don for a brochure.

### Young@Heart

Bible Studies continue every Thursday 10:30-11:30. There is no age limit [young or more mature] so if you are free join us. On April 15, just to celebrate the TAX DAY we are taking an old fashioned "recess" to go to the River Walk. We will take the Express Bus from the church parking lot and be there in 20 minutes and no parking fee! The trip is from 10:00 – 3:00. Love to have you join us.

## Kelly Wright, Minister to Children

Invite your friends to church on Easter! Not just to worship, but to Bible study connection groups as well. Our teachers will be prepared to provide a Biblically-sound, understandable message for every child, and our continued prayers will be that God will nurture that seed and bring it to fruition as a saving relationship with Jesus Christ. He gave His life as a once-and-for-all sacrifice, completely and finally making a way for the forgiveness of all our sin. "By this will, we have been sanctified through the offering of the body of Jesus Christ once and for all. For by one offering He has perfected forever those who are sanctified." (*Hebrews 10:10, 14*) What a joyous reason to celebrate!

There's still time to register for the April 9<sup>th</sup> Parents' Night Out. Our new PNO Coordinator, Kristine Torrice, has planned a rainbow promise theme along with some great kid-friendly activities. Cost is \$15 for the first child and \$8 for each additional child, with a family maximum of \$39. It's safe, it's economical, and it's filling up fast! (The next PNO date is May 7<sup>th</sup>; on-site registration for that date is open now, and online registration will open April 10<sup>th</sup>.)

## Brian Rasco, Student Minister

Greetings Students and Families!

Congratulations! You made it through the first half of the semester! It's all downhill from here, well except for the finals and term papers and stuff next month, but don't think about that now.

Hopefully, you have all signed up for camp by now, and you are as excited as I am about the biggest event of the summer. If you haven't, we still have a few spots available. Campers, watch your mailbox for a letter from us with a suggested payment plan, plus some information about a fundraiser we are offering students to help defray their cost to camp.

Parents, packets with an *Ugly Mug Coffee* catalog & order form are available to your students during FUEL on Wednesdays, at our camp registration counter, and in the office. Important details about this fundraiser are included in the packet, but the premise is – your student can earn \$4 for every \$10 of coffee they sell. I would suggest taking this form to your office, letting your family members and neighbors know, and selling as much coffee as you can. *Ugly Mug* is not just good coffee. It is also an organization that prides itself on benefitting the people who grow their coffee by paying a fair price and building infrastructure in the growers' community. Hopefully your student can develop a great sales pitch and sell 30-40 of these items to reduce his or her cost for camp! Please note, **the deadline for turning in your Ugly Mug Coffee completed order forms with payments is Sunday, April 25.** Questions? Call Robin Cassell at 494-5219. Make sure your student gets on the ball over the next few weeks.

Parents, I also want to make you aware of something we are trying to do with your students on a weekly basis. During Wednesday FUEL, we are studying the Gospel of John. In addition to studying on Wednesday nights, we have been encouraging (pushing, prodding, pleading, and provoking) your students to read a chapter throughout the week and then answer some questions on our discussion board on the FUEL Facebook page. Some of you may have a family Bible Study that you are doing on a regular basis; if you do then keep on trucking. We'd like your student to read and study John on their own in addition to what you are already doing. If you do not study Scripture together as a family, then I would like to offer our discussion questions as something your family could do together to take in God's Word on a regular basis. Your comments and questions could also help other families as they strive to spend time together in God's Word.

As always, we pray God will bless you and your students greatly this month! Please keep in touch with us on Facebook and through our webpage to stay up to date on everything happening in the Student Ministry.

## Outreach Central

**Please note that we now have an area in the church clearly marked, "Outreach Central".** It is conveniently located on campus, at a table located by the Connection Group tables in the downstairs inner foyer.

At that area, we provide contact information for every Connection Group, to facilitate and encourage members to make outreach contacts to prospects and members of their Connection Groups. **You can easily stop by on Wednesdays, or any time you are on campus. It just takes a few minutes to place a call from your cell phone or write an encouraging note on a postcard.** Perhaps you may wish to make a personal visit? If desired, you can simply jot down a name or two from the lists, for contact at another time. **Clear instructions are provided on how to assist in this effort.**

**Please consider investing a few minutes of your time at Outreach Central, as we invest in the lives of our prospects and members.**

**NEW MEMBER RECOGNITION – God is adding new members to our church family at Parkhills. That's exciting!** Most walk the aisles on Sundays to present themselves for membership. A few inform us of their desire to join by noting that decision on a connect card, and then drop the card in the offering plate or hand it to one of our team at the Welcome Center following worship. **It's important to welcome our newest members as soon as possible.** Remembering the names of our new members is one of the strongest ways we convey a genuine interest in them. We want to assist you in that effort. **We have placed a new member board in the downstairs foyer to display photos with names of our newest members.** We will keep the photos of the new members on display for 3-4 weeks following the date they join. **Please stop by and commit some of the faces and names of our newest members to memory. Then, when you see that new member, say hello, by name. They will be glad you did...**
