

Dates to Remember:

Several important dates are coming up as we begin supporting the “Giving Back...Going Forth” project. As you read through this brochure, please begin to pray about your family’s involvement in this vision. Here is what you can expect:

Sunday, October 2 *Kick-off Sunday*

We will kick-off our debt elimination project by sharing the overall vision of Parkhills Baptist Church and of the “Giving Back...Going Forth” project. Information about the project will be distributed to the congregation.

October 3-18 *Home Dessert Information Meetings*

Pastor Welch will share our vision for the “Giving Back...Going Forth” project and answer questions about it.

Sunday, October 9 *Call to Prayer / Prayer Event*

Prayer stations will be located throughout the building so that participants can pray for future ministry opportunities while walking through ministry areas of the church.

October 24 – November 5 *Family Devotions*

Each family will work through daily devotionals designed to unify and show your family how they can participate in this project.

November 3 *Family Decision Night*

Each family commits to join together and discuss what sacrifices you will make and determine your financial commitment to this 3 year project.

November 6 *Commitment Sunday*

Our families will bring their commitment cards, laying them on the altar before the Lord.

November 20 *Celebration Sunday*

Our entire church family will join together to celebrate the gifts God has provided. As you begin to pray about your part in this vision, please ask God to show you how you can bring the largest single offering you’ve ever made to “Giving Back...Going Forth”. This will be a special day where we will thank God for His goodness and respond through worship and giving.
