

June 6, 2010

Greetings from Germany.

We are preparing to return to San Antonio on June 14 for our 2 month stateside assignment. We are looking forward to seeing everyone. It will be a whirlwind time. Lee's family has many coming in from out of town the first week we are back. There us a big family reunion. We will go to church at his brother's church that first Sunday. We also will spend a week in Richmond, VA for a conference. We hope to be at Parkhills often, but with speaking and traveling, it may be more sporadic than we would like.

We are moving into a mission owned house this summer as well, and must be completely packed prior to departure for TX. With all the BFA year-end activities and graduation it is a busy time.

Please pray:

- for all the move prep. to get done
- that we finish strong with our BFA responsibilities
- for flights to go and connections to be on time (we are on BA through London)
- for an excellent time of reconnecting with family and friends
- for our unsaved relatives to hear and accept the gospel
- for God to equip us more for His service through our time this summer

Thanks for joining with us in prayer.
We look forward to seeing you soon.

Laurie
