

Transmission Begins January 29, 2010 . . .

The 2010 version of Rev Weekend is coming soon to FUEL Student Ministry. You need to be a part of this exciting weekend! This year's theme is "TRANSMIT": sending out the message of the gospel to everyone around us. Just like Paul says in 1 Corinthians 9:22, "*I have become all things to all people, that by all means I might save some.*"

This weekend is shaping up to be huge! Hundreds of people involved, one of the best speakers of all time (RUNKS), one of the best worship leaders of all time (Chad Humphrey), and the coolest derby car race this side of the Pecos. Don't miss this chance to invite friends, relatives, and anyone else you know who needs to be challenged, either to share the message of the gospel, or to hear and accept that message for the first time.

All this excitement can be yours for only \$50. If you have never been to Rev. Weekend you will find that it's well worth the cost. The deadline to register is January 24. Sign up today before you forget!!!
